Brian –

Rave reviews continue to stream in from clients who attended my 2018 Client Party.

What a difference the live entertainment made!!

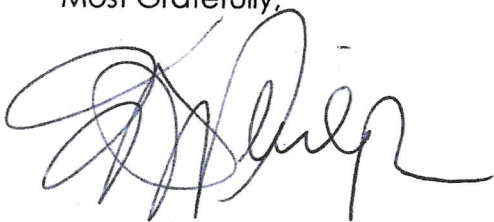

The 5<sup>th</sup> Annual was clearly the best one yet... thanks to your direction, recommendations and seamless implementation.

Planning a party can be overwhelming. Handing the entertainment segment over to you allowed me to focus on what I do well. I can't thank you enough for your valued insight, fun and witty demeanour and flawless execution.

Your ability to deliver on exactly what I wanted set a new benchmark and clearly exceeded my expectations!!

I am a raving fan and will continue to recommend your services to anyone I care about.

Most Gratefully,

Marti Philp
